

Government is responsible for providing frameworks in which public institutions' mandate. This includes the following: setting the legislative, regulatory and policy framework along with establishing the following statutory provisions:

Sections 5 and 6 of the *College and Institute Act*

- In meeting the needs of its designated students, a college provides adult basic education, English as a second language and adult special education programs. It also provides first and second years of baccalaureate degree programs, as well as career, technical, trades and continuing education programming. A college may also offer applied baccalaureate degree programming. Furthermore, a college supports community economic development.

Within the terms of the legislation, the Okanagan College when fulfilling its mandate, consider strategic priorities of Government when allocating resources. The strategic priority actions of Government in 2017/18 are:

- Develop and implement an updated Skills for Jobs Strategy
- Continue to deepen opportunities for students in the technology sector;
- Work in partnership with the Government and Aboriginal communities, organizations and Training Policy Framework and Action Plan to increase the participation and success of Aboriginal students;
- Continue to deliver provincial priorities for international education, including pursuing opportunities to advance the two-way flow of students, educators and ideas;
- Continue to actively encourage and promote the development and use of online resources and open textbooks to support post-secondary affordability for students;
- Continue to actively participate in the development and implementation of a common application system for all public post-secondary institutions in the province and develop a strategy to fully onboard to education services at your institution;
- Promote safe campuses by developing policies and activities to prevent sexual misconduct and assault of all forms;
- Meet or exceed the financial targets identified in the Ministry's three-year Service Plan as tabled in the Budget 2017, including maintaining balanced or surplus financial results;
- Continue to maximize the efficient use of public post-secondary administrative resources through participation in the Service Delivery Transformation initiative.

Principled public sector governance remains a priority for Government. Public post-secondary institutions are expected to undertake comprehensive professional development to enhance orientation of their board members and senior executives. Government will be providing programs and resources designed to assist with representation and ensure understanding of the accountabilitys and expectations of public sector boards and organizations.
