

The Program

1. The program is a 12-week course that focuses on the development of critical thinking and problem-solving skills. It is designed for students who are interested in pursuing a career in business or management.

2. The program is delivered through a combination of online and in-person instruction. Students will have access to a variety of resources, including textbooks, lecture videos, and interactive exercises.

Opportunities

1. Students who complete the program successfully will receive a certificate of completion. This certificate is recognized by many employers and can be used to enhance a resume.
